

Announcement for ARCH402 Architectural Design VI Students

ARCH402 Architectural Design VI syllabus will submit to students through GAUZEM on Wednesday, 23.02.2022. The syllabus includes all the details of the design and evaluation process along with the project subject.

A face-to-face "Introduction Meeting" will be held at 14.00 in Mimar Sinan Main Hall on Thursday, 24.02.2022.

Students will ask their questions in written form within the dates determined in the syllabus.

Due to the pandemic measures, there will be no collective technical trip to the project area. Students will visit the project area individually.
